

Live Peabody an Age Friendly City

Age-Friendly Communities

Age-friendly communities strive to better meet the needs of their older residents by considering the environmental, economic, and social factors that influence the health and well-being of older adults.

These programs seek to allow older adults to stay in their communities and “age in place.”

Eight Domains Contribute to an Age Friendly City

Peabody’s Age-Friendly Progress

- ◆ The City of Peabody was accepted into the World Health Organization (WHO) Age-Friendly Community network in 2017
- ◆ A Copy of certification from AARP, an institutional affiliate of the World Health Organization, is on the back side of this flyer.
- ◆ A Community Survey was conducted in 2017 (353 respondents 60+)
- ◆ 11 information sessions have been held in the community, housing, and religious settings.
- ◆ A grant for \$25,000 has been secured from JB/Lahey.
- ◆ The City of Peabody is currently working on an Action Plan which will identify areas within the eight domains to be worked on for many years to come.

The AARP Network of Age-Friendly Communities

*an institutional affiliate of the World Health Organization's
Global Network of Age-Friendly Cities & Communities®*

THIS IS TO CERTIFY THAT

City of Peabody, Massachusetts

has committed to becoming more age-friendly
under the criteria established by AARP and the World Health Organization
and has been accepted as a member of the AARP Network of Age-Friendly Communities.

THIS CERTIFICATION IS VALID UNTIL

January 12, 2019
