RESTAURANT & PUB
NAHANT BEACH

Thursday March

29th 6-9pm

Tides will donate 10% of total sales
from the Restaurant and pub to the
North Shore Hearing Foundation

Raffle of gift baskets and gift certificates

Hearing aids are a medical necessity but are often not covered by insurance. The North Shore Hearing Foundation provides hearing aids to people who do not have the resources to afford them.

Our sense of hearing is fundamental to participating fully in life. Hearing is what keeps us connected to those we love. Untreated hearing loss can lead to social isolation, depression and poor health. Giving the gift of hearing allows individuals to participate more fully in daily life and keeps them connected to those they love.
