*Under the direction of our Pastor, Fr. Derek Borek, and following our faith as Catholic Christian believers, we treat each and every person in need with the utmost amount of respect and dignity, without any malice or judgment toward anyone at any time.*

*Serving in multiple capacities, our extensive team of partners and volunteers allows us to provide a comprehensive outreach program with much variety, as in a typical multidisciplinary approach. This enables those we serve to receive many different types of services from all that we offer.*

*We are delighted to help and support our brothers and sisters in Christ, as they require and request assistance. It is indeed a privilege to call each person, friend!*
