Senior "Circuit Breaker" Tax Credit

What is it?
Senior citizens in Massachusetts may be eligible to claim a refundable credit on their state income taxes for the real estate taxes paid on the Massachusetts residential property they own or rent and which they occupy as their principal residence. The maximum credit allowed is $2,590 for the tax year beginning January 1, 2023. If the credit due the taxpayer exceeds the amount of the total income tax payable for the year, the excess amount of the credit will be refunded to the taxpayer without interest.

Eligible taxpayers who own their property may claim a credit equal to the amount by which their property tax payments in the current tax year (excluding any exemptions and/or abatements), including water and sewer debt charges, exceed 10% of their “total income” for the same current tax year. Taxpayers residing in communities that do not include water and sewer debt service in their property tax assessments may claim, in addition to their property tax payments, 50% of the water and sewer charges actually paid during the tax year when figuring their credit.

For renters, the law assumes that 25% of their rent goes toward property tax. Accordingly, renters may claim a credit in the amount by which 25% of their annual rental payment is more than 10% of their total income.

For purposes of the tax credit, a taxpayer's “total income” includes taxable income as well as exempt income such as social security, treasury bills and public pensions.

Who is eligible for the credit?
To be eligible for the credit for the 2023 tax year, a taxpayer must be 65 years of age or older before January 1, 2024 (for joint filers, it is sufficient if one taxpayer is 65 years of age or older), must own or rent residential property in Massachusetts and occupy the property as his or her principal residence. The taxpayer's total income cannot exceed $69,000 for a single filer who is not the head of a household, $86,000 for a head of household, or $103,000 for taxpayers filing jointly. No credit is allowed for a married taxpayer unless a joint return is filed. Moreover, the assessed valuation of the real estate cannot exceed $1,025,000.

No credit is allowed if the taxpayer claims the “married filing separate” status, receives a federal or state rent subsidy, rents from a tax-exempt entity, or is the dependent of another taxpayer.

Is the tax credit considered income?
Tax credits received by eligible taxpayers are not considered income for the purpose of obtaining eligibility or benefits under other means-tested assistance programs including food, medical, housing, energy and educational assistance programs.

How does a taxpayer claim the credit?
Taxpayers who are eligible for the tax credit in the 2023 tax year can claim the credit by submitting a completed Schedule CB, Circuit Breaker Credit, with their 2023 state income tax return.

Note: Taxpayers who qualified for the tax credit in a prior year but did not file Schedule CB with their original state income tax return should file an amended return by filling in the “Amended return” oval on their state income tax return. Also, taxpayers who qualified for the tax credit in a prior year and did not file a tax return should file a state income tax return with Schedule CB.

What if the taxpayer is not required to file a state income tax return?
An eligible taxpayer who does not normally file a state income tax return may obtain a refund by filing a return with Schedule CB, Circuit Breaker Credit.

How does a taxpayer claim the credit?
As with all claimed tax credits and deductions, the taxpayer must keep all pertinent records, receipts and other documentation supporting his or her claim for the credit.

Schedule CB and further information is available at mass.gov/dor or by contacting the Massachusetts Department of Revenue’s Customer Service Bureau at (617) 887-6367 or toll-free in Massachusetts at 800-392-6089.
MORE VACCINES NOW COVERED BY MEDICARE

It is easier to stay up to date with your immunizations now that people with Medicare Part D pay nothing out of pocket for even more vaccines. This means more people with Medicare can get protection against disease and severe illness.

Medicare Part D now covers these vaccines and more at no cost to you:

- Shingles, RSV, Tetanus/diphtheria (Td), Tetanus, Diphtheria, and Pertussis (Whooping Cough) (Tdap),
- Hepatitis A, Hepatitis B, if you’re at low risk for the virus

Also, Medicare still covers flu shots, COVID-19 vaccines and pneumococcal shots.

Stay up to date with vaccines. Talk with your doctor about which vaccines are right for you!

MEDICARE FRAUD: (Three) ways you can stop it and Shut it Down

The best way to stop Medicare fraud is to help prevent it in the first place.

Follow these 3 tips to protect yourself from scammers:

1. If you get a call, text or email asking for your Medicare Number, don’t respond. Don’t give your Medicare card or Medicare Number to anyone except your doctor or people you know should have it. Remember Medicare will never call you unprompted and ask you for your personal information.

2. Check your Medicare Summary Notices (MSNs) claims statements carefully. If you see a charge for a service you didn’t get or a product you didn’t order (like a COVID-19 over the counter test) it may be fraud.

3. If you suspect fraud, report it at 1-800-MEDICARE (1-800-633-4227).

Visit Medicare.gov, the office source of Medicare information to learn more about preventing Medicare fraud.

GLAUCOMA: Find out if you’re at risk

Did you know that about half of all people with glaucoma don’t even know they have it? If you get a glaucoma test and start treatment early, you may protect your eyes from serious vision loss.

Medicare covers a glaucoma screening once every 12 months if you’re at high risk for developing glaucoma. Glaucoma is a group of diseases that damage the eye’s optic nerve and can result in vision loss and even blindness. Some forms of glaucoma don’t have any symptoms, so you may have the disease even if you don’t have any trouble seeing or feel any pain.

You are considered at high risk for developing glaucoma if one or more of the following is true:

- You have diabetes
- You have a family history of glaucoma
- You’re African American and age 50 or older
- You’re Hispanic and age 65 or older

If you think you may be at high risk, talk with your doctor to make sure you’re up to date on your glaucoma screening.

MICHAEL F. “MIKE” ZELLEN, PRESIDENT OF FRIENDS REPORT: MARCH 2024

We are now entering the third month of the new year. Most people know the old expression that March comes “in like a lion and goes out like a lamb.” It is all about the weather. The month often greets us with a lion’s roar of inclement weather, only to leave us with the gentle lamb-like days of spring warmth and sun.

The 2024 Friends Annual Appeal for Funds is well underway. In January over 12,200 Letters and Friends Membership Enrollment Cards were sent out to our Current Members, Peabody Citizens 60 years old and older, and the Business Community, requesting a donation to renew or become new members. The response thus far has been tremendous, and we thank you for your continued support of the Friends of the Peabody Council on Aging.

Everyone who enrolls to become a member of the ‘Friends of the Peabody Council on Aging’ receives the TIPS & TOPICS Monthly Newsletter in the mail and a Membership Card. Caring Members also receive a $1.00 discount off the cost of the daily lunch at the Center.

If you did not receive the Annual Appeal Letter, Enrollment Card, and return envelope in the mail to become a “Friend of the Peabody COA’, please call the Torigian Center (978) 531-2254 and request that one be sent out to you.

It is with appreciation and sincere thanks from the Friends Board of Directors to all who assisted the Friends Board of Directors in preparing and mailing the Annual Appeal packets in record time.

I would personally like to thank each one of the following volunteers and Friends Board Members who assisted in the preparation of the mailing: Board Members Russ Bowden, Joe Mendonca, Sandi Dupont, Dotty Bonfanti, Kaellen D’Amour, Ann Blazewicz, Judith Enos, Gayle Cavanaugh, Carol Murtagh, and Gita Parmar and the front desk volunteers Judy Buckley, Sally Driscoll, Maria Mendosa and Peg Parsons.

May you enjoy the wonderful moments and the joy of family. Hoping your St. Patrick’s Day is full of cheer and everything you want it to be!

Have a wonderful day!

Best Wishes for a Happy St. Patrick’s Day!
