

Testimonial

“Relief both professionally and personally! North Shore Elder Services has a **dynamic team** to assist with **navigating** medical and health concerns, family matters, legal issues, and even the household details down to a new pair of slippers. I am grateful to this talented team every time I see my client smile because I know her needs continue to be met with her well-being as the utmost concern.”

~Resident Director at Assisted Living in Salem

“Practical Matters’ care management services are invaluable to families needing advocacy for a loved one. Aging Life Care Managers are knowledgeable, easy to work with and care greatly for clients. When someone has no family locally, these services are incredibly important.”
