The Southern Essex Registry of Deeds is committed to safeguarding your property through our **FREE Property Fraud Watch program**. This initiative is designed to alert you promptly if any document is recorded against your name or property without your knowledge or consent.

## How It Works

When you sign up for the Property Fraud Watch program, you will receive notifications whenever a document is filed that involves your property. This service acts as an early warning system, allowing you to take immediate action if fraudulent activity is detected.

## Benefits of the Program

- **Peace of Mind:** Stay informed about any changes or recordings against your property.
- **Timely Alerts:** Receive notifications as soon as a document is recorded.
- **Free of Charge:** This valuable service is offered at no cost to you.
