

WANTED

Reiki Volunteers for Hospice Patient Visits

Who:

Care Dimensions is seeking volunteers who have achieved their Level II or Masters certification in Reiki to join our Complementary Therapies Program. Our patients would truly benefit from your skills to encourage relaxation, pain relief, and stress reduction.

Where:

Our Reiki volunteers visit hospice patients wherever they call home – nursing homes, assisted living facilities, private homes, and our hospice houses in Danvers and in Lincoln on the Waltham line. Our service area covers over 100 communities in Massachusetts.

Volunteers are needed in all regions.

When:

Reiki visits are flexible, and YOU decide on the hours you can give.

How:

Reiki volunteers must complete our volunteer training on Zoom.
