## Everyone Deserves Extraordinary Care

North Shore Community Health provides comprehensive, patient-centered care to over 13,000 patients on the North Shore regardless of your insurance or ability to pay. We have three community-based locations in Salem, Peabody and Gloucester. Our community health centers offer a patient-focused setting with seasoned, compassionate professionals uniquely able to assist those who want treatment for opioid use disorder. NSCH strives to improve and safeguard the lives of our patients who suffer from opioid use disorder through compassionate and integrated primary care.

NSCH delivers comprehensive, high-quality, and culturally competent substance use disorder (SUD)/Recovery Services. At NSCH, we have fully integrated SUD Care, including alcohol use disorder treatment, into all areas of practice. Supportive services include assistance with admission to higher levels of care, same-day medication initiations, Naloxone Distribution, Fentanyl Test Strip Distribution, and Harm Reduction Strategies
